

# INESPO 2017 Awards

INESPO 2017 Awards		
<b>GOLD</b>	Bill and tarsus coloration as an individual condition indicator in the common gull	Estonia
	Tea time	Bosnia and Herzegovina
	Isolation and effective utilization of microorganism for sustainable and economical bio-fuel production	Vietnam
	From paper to concrete	Macedonia
	Potential utilization of tibig (ficus nota) as adsorbent for copper contaminated water	Philippines
	Crystal growth in high electric field strength	Taiwan
	Effects of co2 on apis mellifera l. Behavior	Croatia
	The effect of colours and different materials on physico-chemical properties of water and on the appearance of mosquitos	Croatia
	A good candidate for algae bio fuel source	Macedonia
	Lactase between us	Bosnia and Herzegovina
<b>SILVER</b>	Zeolite a miracle from the nature that removes heavy metals from the water	Macedonia
	The secret cure for polluted environment hides in the environment itself	Macedonia
	Fight against greenhouse whitefly (trialeurodes vaporariorum (westwood)).	Turkmenistan
	Real(recycled aluminium) from beverage cans as an alternative to hazardous lead in soldering	Malaysia
	Electrochemical actuator for micro and nano distribution	Romania
	What impact has a heavy school backpack on a child's health	Kazakhstan
	Recycling highly heavy metal tolerated crops and treatment of metals in compared analyzes using microbial fuel cells	Tajikistan
	Development of bio imaging technique for pythium insidiosum detection based on fe3o4@au core/shell nanostars enumeration with the dark field microscope	Thailand
	Methodology of determination and bacterial resistance to disinfectants	Kazakhstan
	Plantservatives as wipes	India
	The effect of biaxial stress of ti2c sheet on hydrogen storage	Thailand
	Allocation and studying of the micro organisms participating in destruction of oil and mineral oil	Kazakhstan
	Biodiesel synthesis through transesterification of used vegetable oil	China
	The new method for spilled oil recovery in marine areas	Turkmenistan
	Alternative way of particle board production by using tree leaves and its economic importance in tajikistan	Tajikistan
	A cocktail of natural dyes as photosensitizers for dye-sensitized solar cell	Hong Kong
	Wind energy educational board game	Iran
	Intelligent waste cooking oil collector (iwcoc)	Iran
	Kiss-10: blessing in a molecule	Bosnia and Herzegovina
	A novel eco-friendly formulae for hand soap with unprecedented antimicrobial activity	Vietnam
	Methods to reduce the damage caused by pesticides	Moldova
	Interactive platform for learning and teaching the care of the environment through a 3d avatar. (ava)	Colombia
	The effects of naphthenic acid	Mozambique
	Save the environment, save your money --the creative design of transport and recycling courier app	China
	Designation of a medium and determine a suitable, eco-friendly surrogate shell to support the growth of a dissected chick embryo	Vietnam
	The prospects of using biopreparations of streptomyces massasporeus 36 in raising of domestic rabbits	Moldova

# BRONZE

Development of early identification and evaluation criteria method for leukemia diagnostics.	Ukraine
E-wando... The magical wand which brings your home to life.	India
The effects of rvp1 on integrin and wnt/ $\beta$ -catenin pathway in lung cancer cells	Taiwan
The ability of silver nanoparticles (agnps) to inhibit aspergillus japonicus in silk	Thailand
Eliminating harmful effects of fluorescent lamps on maintaining ecological balance and techniques of prolonging its duration of lifetime	Moldova
Creating implants for heart valves by recycling tires	Moldova
Method of reducing toxic gas emissions	Kyrgyzstan
A new way to produce ethanol	Mozambique
Methyl viologen-doped polypyrrole modified cathode to increase electricity generation microbial fuel cells (mfcs)	China
Healing candy	Bosnia and Herzegovina
Effective and inexpensive pump	Tajikistan
Getting energy from ocean waves transferring energy for electricity	Iraq
Novel green antibacteria of lactic acid derivative from rice straw waste for fish preservation	Indonesia
Waste to energy:how tannery sludge can be transformed into biogas	Bangladesh
Green organic fertilizer combined by waste oil and fly ash	China
Utilization of coconut fiber and corn cob as raw materials for making fire inhibitor particle board	Indonesia
Dye sensitized solar cell (dssc) based on silica of bagasse as $\text{SiO}_2\text{-TiO}_2$ composite semiconductor and dye sensitizer from anthocyanin of purple sweet potato peel (ipomoea batatas l.)	Indonesia
Toxic water purification with shrimp extract	Bangladesh
Devices for paralyzed people	Romania
Combined solar distiller	Turkmenistan
Lipidic structures in microelectromechanics (mems) and use in the drugs transportation	Romania
The effectiveness of bioantiseptic peanut shells waste (arachis hypogea l) against e. Coli and s. Aureus bacteria	Indonesia
Reducing carbon emission by using chlorella	Turkmenistan
The effect of cr(vi) and ni(ii) levels for tuber vegetables and soils from different watering.	South Africa

# ENCOURAGEMENT

Solar sunflower	Kyrgyzstan
Black is the new green, phase ii: optimization of the synthesis of biochar – an evaluation of its soil amending capabilities and biofuel feasibility	Malaysia
Phytoremediation strategies of soils polluted with heavy metals	Romania
Replicating the solution for biofuel: jatropha curcas	United States
Ideonella sakaiensis living on polyethylene terephthalate (pet) to save the world	Kenya
Diffuse reflection	Croatia
Removing heavy metals from water by the ecological ways	Kyrgyzstan
Using detritus to make biogas from anaerobic digestion	Kenya
Clean water is not a dream	Afghanistan
The miracle of coconut	Afghanistan
The miracle of malaysia's national flower; dpph screening method for evaluation of antioxidant activity among flower juices of hibiscus rosa sinensis linn variants	Malaysia
The synthesis of hydrothalcites from sustainable resources	Kyrgyzstan
Children ....play & play (remote control mine search,finding and marking device	Iraq
Radiation how to affect the germination	Mozambique
Crude oil from waste polypropylene,polyethylene and acrylonitrile butadiene styrene	Kenya
Mr.clean power supplier	Afghanistan
Curtuino	Egypt
