

CAS PROJECT-CHRISTMAS BAZAAR 2017

On December 3rd 2017 the annual Christmas Bazaar organised by the International Women's Club Zagreb was held at *Zagrebački Velesajam*.

The work consisted of helping with stands and keeping the place clean. There were 24 students who volunteered there from 9 till 16 and through good communication as well as management skills they succeeded in helping the organisers make the *Christmas bazaar* a wonderful and especially clean experience for visitors who by buying the food and other products contributed money for a good cause.
