

CAS and TOK

Link: <https://activatingtok.net>

List of questions for TOK ways of knowing during the CAS

Interviews/reflections:

- ✓ How may the ability to communicate through different languages help you to make the most of the experience?
- ✓ In what way can words stereotype people?
- ✓ Is sense perception a reliable source of knowledge in CAS experiences or project?
- ✓ What did your senses show you in this CAS experience?
- ✓ What kinds of feelings and emotions can you identify in yourself regarding the CAS experience?
- ✓ What reasoning preceded your CAS experience?
- ✓ How does your initial imagined goal compare to the realized goal?
- ✓ Did faith have any part in your thoughts and behaviours during the CAS experience?
- ✓ How often do you rely upon your intuition rather than logic?
- ✓ How do you think previous experiences affect your present learning?
- ✓ Does the rightness or wrongness of an action depend on the situation?
- ✓ Can you identify elements of religious knowledge in people involved in your CAS experience?
- ✓ How do you show respect and open-mindedness to other cultures?
