ZAGREB, September 2022**

Dear students,

It is with great pleasure that we welcome you to our school and the IB Diploma Programme.

XV. gimnazija is a state school that has been offering an international programme since the school year 1991/1992. Our school is authorised by the International Baccalaureate Organization and the Ministry of Science and Education of the Republic of Croatia to deliver the International Baccalaureate Middle Years (Grades 9 & 10) and Diploma Programme (Grades 11 & 12). Teachers and administrators have worked diligently and enthusiastically over the years to build a programme that balances academic excellence and personal growth. We also take care that improvements and adjustments are being made regarding the school facilities and equipment.

The Diploma Programme puts high demands on both students and teachers. Students are challenged to develop their knowledge, build and improve skills and acquire positive attitudes. We are convinced that hard work and responsibility will yield the highest standards of performance.

We wish you a successful and rewarding experience in the IB Diploma Programme in XV. gimnazija.

Sincerely,

Your DP teachers

ATTENDANCE PROCEDURES

IB students will use the entrance from Čikoševa street (called “Čikoševa 1”) that is open only in the morning.

School begins at 7:45, i.e. according to your Timetable.

Students must arrive punctually to the assigned classroom with their books and all necessary materials. They must regularly attend all classes. Should a student arrive late he/she will not be admitted into the classroom and will have to state the reason of his/her absence to the class teacher and homeroom teacher and provide a letter from a parent. In such situation, the student should use the school library facilities.

Punctuality is of high importance during the entire school day.

Attendance

Attendance records will be taken at the beginning of each class period and notified in the class e-book (e-dnevnik).

For the award of report cards and diploma, full attendance is required. Unavoidable absences must be confirmed by a note from parents and a doctor. Phone calls will not be sufficient, personal visit to the homeroom teacher is required.

Excused Absences

Those who are absent up to 3 days can be excused by a written note from parents submitted personally to the homeroom teacher. The excuse note should be presented **within 2 days upon the arrival back to school** and must include:

1. the date or dates of absence.
2. the reason for the absence.
3. the parent's or guardian's signature.

For the absence longer than 3 days due to illness a doctor's report is required.

Unexcused Absences

If a student does not bring written permission from home excusing him/her for an absence, he/she will receive an **UNEXCUSED absence** from class, which will result in a disciplinary action.

- 1. More than 0.5% unexcused periods of the total number of periods will result in a formal warning**
- 2. More than 1% unexcused periods of the total number of periods will result in a written reprimand**
- 3. More than 1.5% unexcused periods of the total number of periods will result in a final warning before expulsion, and the grade**
- 4. More than 2% unexcused periods of the total number of periods will result in expulsion from school.**

On request absence

For an absence planned ahead of time a written request should be submitted prior to the absence, signed by both student and parents:

- a **single day** absence is granted by the **homeroom teacher**;
- **up to 3 days** absence by the **homeroom teacher or DP Coordinator**;
- **longer than 3 days, up to 7**, by the **Principal**;

ACADEMIC INTEGRITY

IBO is very particular about academic integrity, malpractice, plagiarism or cheating.

The candidate is ultimately responsible for ensuring that all work submitted for assessment is authentic;

- work or ideas of others must be fully and correctly acknowledged;
- candidates must comply with all internal school deadlines;
- candidates are expected to review their own work before submission for assessment to identify any passages, data, graphs, photographs, computer programmes etc. that still require acknowledgement;
- class material should be acknowledged as well;
- teachers, while reading candidate's work, must be vigilant for obvious changes in a candidate's style of writing;
- IB examiners use Internet sites to detect plagiarized text.

If accused of malpractice:

- students must provide their full report;
- teacher must provide a report;

IB Diploma is recognized at universities world-wide.

Croatian national requirements regarding the IB Diploma recognition should be checked with the national Ministry of Education and specific universities (e.a. Germany requires all students to take Math or Science at HL).

In Croatia, IB Diploma is equivalent to *Državna matura*:

“Na kraju srednjoškolskog obrazovanja po međunarodnom nastavnom planu i programu i/ili kurikulumu nadležna međunarodna organizacija ili institucija izdaje učeniku javnu ispravu kojom se dokazuje završetak srednjoškolskog obrazovanja.”

(članak 30.a, stavak 6. Zakona o odgoju i obrazovanju u osnovnoj i srednjoj školi (“Narodne novine” 87/08, 86/09, 92/10, 105/10, 90/11, 5/12, 16/12, 86/12, 126/12, 94/13, 152/14, 7/17, 68/18))

Također, moraju ispuniti preduvjete i položiti dodatne provjere posebnih znanja, vještina i sposobnosti ako ih zahtijeva pojedini studijski program.”

(članak 23. Pravila o uvjetima, postupku prijave, provedbi ispita za upis i rangiranju kandidata na studijske programe – izvor – AZVO)

“Candidates who are Croatian citizens and who complete secondary education in the international programme International Baccalaureate (IB) in the Republic of Croatia can apply for higher education institutions in the Republic of Croatia, where the results of their final exams are recognized as comparable results of the *Državna matura*, but they have to take exams of the *Državna matura* required by the study program and which have not been placed within IB Diploma.
