

SERVICE AND ACTION: ENROLLMENT 2023/24
--

Instructions:

- Complete the following form on page two.
- Follow the procedure for each service activity/project (*the stages*).
- Your activity engagement must be approved for you to receive credit.
- The form below must be completed twice (for each activity).

Stage1: Investigation

→Identify and justify a need for service. It can take the form of the following:

Direct action – working directly with a community Indirect action – helping those with whom you have no direct contact Advocacy – raising awareness about a cause that particularly interests you Research – finding out and then reporting about a particular issue

→Complete the enrollment form to get approval.

Follow the next three stages:

Stage 2: Preparation

→ Collaborate with the relevant organization concerning dates, time and your role in the project.

→Reflect upon what you will learn by participating in this service.

Stage 3: Action

→ Take action!

→ Work hard and make the difference you can.

Stage 4: Reflection

→Reflect on your service and action.

→Complete all forms for submission.

ENJOY!!!😊
